## Highlights

---

- Supported by [Novastone Capital Advisors](#) and their investors, I'm searching for a profitable business to acquire and run as CEO. Considering the diversity of my experience, I am open to various industries.
- Results-driven leader with an entrepreneurial mind and flexible analytical thinking. Unique experience ranging from broad strategic roles to large-scale focused leadership.
- Able to learn and add value quickly and provide leadership and guidance to teams of experts in any situation. A clear and concise communicator.
- Passionate about guiding the team to find creative simple solutions to big complex problems.
